

# ICRA Best Practices for Healthcare Construction: Language for Bidding Specs

(Facility)\_\_\_\_\_ desires to implement the highest level of protection to our patients. Thus, \_\_\_\_\_ will require all construction carpenters performing work in its healthcare facilities to complete an Infection Control Training and Qualification Program, of no less than twenty-four (24) hours, which will include no less than eight (8) hours of hands-on training utilizing and understanding the latest construction techniques, based upon an approved program. This includes but is not limited to: setting up and inspecting HEPA equipment, such as air scrubbers and vaccums; reading and identifying air pressure differential gauges and negative air pressure techniques; various soft-wall partitions, as well as hard-wall and ante room construction; and the ability to recognize and understand ICRA forms.

Each construction firm contracted to perform work at \_\_\_\_\_ will bear responsibility in verifying its employees, supervisors, and carpenters performing the work, regardless of the tier of subcontracting, will have the aforesaid approved training. At this time \_\_\_\_\_ recognizes the twenty-four (24) hour UBC Construction ICRA Best Practices in Healthcare Construction as the acceptable training and qualification. All other trades and subcontractors will be required to complete an eight (8) hour Infection Control Training Awareness Orientation prior to working in our healthcare facilities.

\_\_\_\_\_ recognizes the UBC Construction ICRA Best Practices in Healthcare Construction eight (8) hour awareness as acceptable training. Furthermore, \_\_\_\_\_ reserves the right to consider an alternate and accredited eight (8) hour Infection Control Training Program to address the needs of its healthcare facilities.

These requirements will take effect on \_\_\_\_\_ and will be a pre-requisite per the bid specifications for all projects to be performed at our healthcare facilities.

Signed and dated on the \_\_\_\_\_ day of \_\_\_\_\_, 201\_\_\_\_.
